

Welcome to the new 3M EHS I PS Slide Deck!

1. There are Title, Agenda, Transition, and Content template slides for you to select from. Select the ones you wish to use and delete the rest to manage file size.
2. Slides 81-84 contain some EHS I PS thumbnail images that you might find useful. Click on the link to obtain a copy of the image and insert it into your slides. Note: All images are in 3M Celum (aka 3M HAMR).
3. To further manage file size, you can compress all the images to web/projector quality (150 ppi) size. Email quality (96 ppi) is available, but will be notably low res.
4. See Best Practices (hidden) slides at the end of the slide deck for more guidance, tips, and tricks!
